

INDUSTRIAL ELECTRONICS

IN & OUT OF THE BOX

AC/DC POWER SUPPLY

ETHERNET SWITCH

PROGRAMMABLE LOGIC CONTROLLER | REMOTE I/O

MARKERS AND TAGS

WIRE DUCT

OTHER COMPONENTS

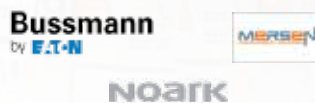

TRANSFORMERS

CONTACTOR

DISCONNECT SWITCH

FUSES

FANS

WIRE

CIRCUIT BREAKERS

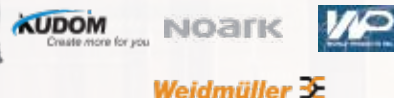

TERMINAL BLOCKS

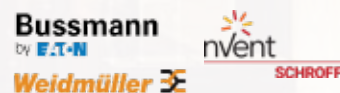

DIN RAIL

RELAYS

POWER DISTRIBUTION

ENCLOSURES

INDUSTRIAL ELECTRONICS

terminal blocks

wire and cable

fuses, fuse holders, circuit breakers, disconnect switches, battery terminal fuses

transformers

solid state relays, voltage regulators, motor reversing modules, temperature probes

fuse, fuse holders, fuse gear, busbars, disconnect switches, power distribution blocks, surge/lightning protection

molded case circuit breakers, din rail miniature circuit breakers, contactors, thermal over load relays, manual motor starters, 22mm pilot devices

fuses, circuit breakers, fuse blocks and holders, clips, thermal circuit breakers

terminal blocks

AC/DC and EC fans, EMI power line filters, fan accessories, heat shrink products, power cords and wiring devices, power supplies, sleeving, Thermal circuit breakers

terminal blocks, connectors, enclosure systems and components, distribution boxes, relay modules and solid state relays, power supplies, surge and circuit protection, controls (PLC), touch panels, industrial ethernet, Electronic housings, cord sets, patch cords and cables and much more

relays, contactors, circuit breakers, thermostats, displays, transformers

labels, printers, tapes, lockout tagout solutions, software, signs, tags, absorbents

circuit breakers

cable ties, mounts, clips, plugs, heat shrink tubing, wire duct, cable protection systems, ID systems, application tooling, din rail

AC/DC fans, blowers, impellers, fan accessories, fan trays

AC/DC fans, motors, Blowers, impellers

cabinets and electronic packaging, electrical fasteners, hangers and support, Electronic enclosures

AC/DC fans, AC/DC blowers, impellers, fan trays, fan accessories

cable and wire ties, mounts and straps, wire duct and accessories, lugs and splices, split bolts, Terminals, bus bars and straps, heat shrink tubing, din rail

Wall Industries, Inc.

AC/DC Power Supplies
